Dear Friend,

Our annual Mountain Springs Country Fair will take place on June 14, 15, and 16, 2018 at the Mountain Springs Arena in Shartlesville, PA.

In order to meet our goal we are asking for sponsorship from local business such as yourself. By investing in our annual event you will be supporting our youth livestock shows, youth color contests, the Mountain Springs Fair Scholarship pageant, the Annual Fair Queen Pageant, youth and adult baking contests, and most important the promotion of agriculture, horticulture and tourism. As a sponsor you will also be providing assistance to bring fun, and family entertainment to those in the community, as well as promoting your business.

Sponsorship is an investment and has become an important part of the fair industry. The fair will give you the ability to reach an entire family of buyers in a fun environment. Depending on your sponsorship you will not only show your support you will also be getting your name out to everyone who visits the fair, links to your websites, ads through our premium book, plus signage at fair. You can also setup at the fair and meet attendees personally.

We will also offer opportunities for your business to get admission passes for you to give out to employees and clients to show them your appreciation. The Fair is a great place for you to thank clients or bring potential clients and show them a great time.

We look forward to working with you and have included a sponsorship proposal sheet for your review. If you are interested in becoming a sponsor of the Mountain Springs Country Fair, please don't hesitate to contact me (Don) at 610-428-2448, or (Tammy) at 484-223-9547 In addition, I will follow –up via phone, to see if you may have any questions that I can answer about the sponsorship package or our organization, or to meet with you. Thank you in advance for your consideration in our sponsorship proposal package. We are a **501-C-3 non profit fair.**

Sincerely,

Donald R Bercaw, Sr
